MEMORANDUM FOR: Security Officer, DPS/DCI

25X1A Per our conversation last Friday, I drafted the attached as an outline
25X1A for handling CHALICE material which is originated outside of DPS/DCI.
25X1A [REDACTED] has briefed [REDACTED] OGC, [REDACTED] office (Elint Offr),
25X1A [REDACTED] ORR for Lundahl et al at HTAUTOMAT, and [REDACTED] has
25X1A briefed [REDACTED] for DD/P. I have briefed [REDACTED] OSI (who also
25X1A has [REDACTED] clearance), [REDACTED] DD/S, [REDACTED] and [REDACTED]
25X1A in DD/I's office and [REDACTED] in the IG's office. The Offices of the
25X1A DCI and DDCI are aware of the name change and recognize the cover sheet
25X1A as requiring special handling. They have never had occasion to originate
25X1A a document on this Project.

25X1A I cannot think of anyone else who needs to be briefed other than the
25X1A support elements of DD/S and they have very little need for substantive
25X1A CHALICE material. I believe it was determined, however, that each
25X1A DPS support section would brief their respective Agency component.

This of course does not take care of anyone outside of the Agency, i.e.
Col. Geary's office or the Government departments and Services
represented on the Ad Hoc Requirements Committee.
